

PRODUCT CERTIFICATION BODY

CERTIFICATE

No. 20 – C - 0022

Product name	Portable wooden ladder
Product type	Standing step ladders
Intended use	For person to ascend or descend
Performance	Functional sizes: conform to EN 131-1:2016, point 4.6, table 7 Strength test (test load of 2700N): no fracture and visual cracks Bending test of the stiles: maximum deflection 0,1mm Lateral deflection test of the ladder: 0,1mm Bottom stile ends test: permanent deflection does not exceed 0,5mm Vertical load on steps: permanent deformation is less than 0,5 % Bilaterally ascendable ladder: no visual permanent deformation Torsion along the length of the ladder: less than 25mm
Producer	RENOVATIO EUROPE LLC Bulgaria, Region Sofia, Voluyak village, p.c. 1346, 8 Zokum str.
Product requirements	EN 131-2:2010+A2:2017
Test reports	No 1 26 0245/06.02.2020, No 1 26 0245WA/06.02.2020, No 1 26 0343/20.02.2020
Applied test methods	EN 131-1:2016, EN 131-2:2010+A2:2017

This certificate attests that Center for Testing and European Certification /CTEC/ – Product certification body has established conformity of the test results with the performance of the product type expressed above by level or class, or in description.

This Certificate is issued under following conditions:

- 1. It applies only to the above referenced type of product.*
- 2. It does not imply that the CTEC has performed any surveillance or control of its manufacture.*
- 3. The Certificate holder is obligated to assure that all products of the respective model conform to the type assessed by this Certificate.*
- 4. The Certificate holder is obligated to inform the CTEC - Products Certification Body on the raw materials and/on technology changes that could affect the certified product properties.*
